OXFORDSHIRE RIFLE ASSOCIATION HISTORIC RIFLE AUTUMN MEETING 2007

The match was shot at Otmoor on a lovely sunny autumn day. There was a rather poor turnout of 20 with 17 members shooting in the various classes.

The scores were excellent throughout the day, with many rifles being well over 100 years old. Thanks to Jason Buckingham who supplied the tent and to Nic Washington who helped me with the RCO duties.

Well done to Peter Bysse who scored 100 in the Over 100 year Service Rifle Class and to Alex Hamilton with a 99 in the Veteran Rimfire Class , plus Peter Bysse again with a 99 in the Service Rifle Class.

The “Volunteer Cup ” was keenly contested by four members shooting BP / ML Rifles, just won by Nick Washington with 91 over Hugh Hinde shooting an original Volunteer Rifle , who got himself a 10% bonus.

I was very disappointed with the turn out considering the great efforts the NRA and ORA put in to get shooting back at Otmoor.

The overall standard in all Classes has improved immensely over the last few years.

John Winter, CRO
